

Dear Guest:

Welcome to the Hampton Inn of Mt. Airy. Known by many as the "Friendly City", Mount Airy began as a pioneer settlement a quarter of a century before the Revolutionary War. Experiencing quiet, peaceful growth, this area is one of the most beautiful regions in North Carolina.

Home of many scenic and historical attractions, Mount Airy has gained national fame as the inspiration for the Andy Griffith Show ... this seems only natural since Andy grew up here. Very much like the fictional town of Mayberry, Mount Airy is home to some of the friendliest folks you would ever have the pleasure to meet.

Besides being the hometown of Andy Griffith and Singer Donna Fargo, Mount Airy is also a business and industrial center for the area.

Please relax and enjoy your stay with us while you enjoy Surry County hospitality.

We appreciate you allowing the Hampton Inn to be your host during your visit and we wish you have a safe and happy journey. Please come again.

Sincerely,

Staff & Management of
Hampton Inn - Mt. Airy

Hampton hotels strive to provide consistent, healthy approach to travel for our guests. Through the Take Care program Hampton wants to encourage our guests to join us in taking better care of ourselves, each other and the environment. Below are some of the steps that our property is committed to:

take care of our environment and support the local community

conserve and protect water Did you know that leaving the water running while brushing your teeth can waste on average, 8 gallons per day? At Hampton hotels, we are committed to conserving the Earth's natural resources and are proud to offer our guests an opportunity to participate in a linen reuse program. For additional information regarding this program, please see the Take Care card located on your bed. To further our efforts, all Hampton hotels utilize low flow massaging shower heads, and low flow toilets where possible.

The **Hampton Inn - Mt. Airy** has taken additional measures to support these efforts, including:

- Installation of water saving pool filters
- Use irrigation systems for landscaping to control over watering and reduce water run-off

energy saving and increased air quality actions Did you know that nearly 1/3 of the population are believed to live in areas with harmful air pollutants? Hampton hotels are built with energy efficient make-up air units for increased air quality and reduced energy consumption. Energy Star products can be found throughout our family of hotels, a positive impact On energy conservation. We believe that the best lighting is natural lighting, so open up those drapes and let the sun shine in.

Your friends at the **Hampton Inn - Mt. Airy** are taking energy saving measures, including:

- Installation and safe disposal of compact fluorescent lighting
- Use LED lighting for exterior lighting and signage, producing less heat and utilizing less energy
- Use electrostatic air filtration to remove dust, pollen, and other indoor pollutants from the air you breathe
- A "smart thermostat" system developed by InnCom to help control temperature in guest rooms

- Design elements to include additional windows in the lobby and breakfast area to promote natural lighting

prevent waste and pollution

prevent waste and pollution Did you know that a contribution to recycling is as easy as taking your own reusable bag to the grocery store? Hampton is committed to reducing the use of plastic bags, where possible, and introducing biodegradable bags where needed. We'll also work towards protecting the Earth's trees by using post consumer recycled content in our paper products and offering you an option to use an online e-directory and reservation system for booking your next stay. Visit hampton.com for more details, in addition, Hampton's bath amenities are 99% natural, biodegradable, and the packaging is recyclable. We continue to partner with companies who demonstrate their own "responsibility" to environmental practices.

The Hampton Inn· Mt. Airy has taken the next steps to support these efforts, including:

- Our recycling bins are located in the breakfast area
- Replacement of Styrofoam and plastic cups with potato and paper products
- Proud to use cleaning chemicals from Proctor & Gamble that are safe for the environment and your health
- Partnership with local Goodwill, to provide excess soap, shampoo, and gently used items such as duvet covers and sheets to families in need.

take care of yourself

health and fitness Maintaining your schedule while traveling is difficult. To help keep you exercising while on the road, we offer access to fitness facilities. We also offer a free hot breakfast every morning. If you are In a hurry, grab a Hampton's On the Run® Breakfast Bag from the front desk so you don't have to miss out.

relaxation and connections Visit our lobby for a warm, friendly environment to make connections and build relationships. If you are looking for a place to just relax, grab a cup of coffee and a good book, we Invite you to make yourself at home.

take care of others

staying connected While on the road, it can be important to stay connected with friends and loved ones. Throughout our property, we offer free high-speed internet access. We also have free newspapers available to help keep you connected with world events.

Our commitment to providing a healthy stay for our guests is a journey with a lifetime of opportunities. Hampton is your friend in town, and we are taking care as we owe it to one another.

We love hearing from you. Please contact the General Manager at extension 2122

Safety & Security Procedures

The enjoyment of your stay is of the utmost importance to those of us who welcome you as a guest. To promote greater safety for you and the security of your personal property, we urge you to take advantage of the following suggestions.

Deadbolt locks & Safety Chains

Upon entering your room, use the deadbolt provided on your door. This will prevent the door from being opened by a regular room key. As an additional precaution, please secure the safety chain or bar lock if provided. Always make sure that your room door is locked whenever you leave your room.

Guest Room

After securing the entrance door to your room, also ensure that any connecting room door is closed and locked. Check any operable window or sliding glass door, to ensure that it is locked. While occupying your room, never leave the door open or unlocked.

Admittance To Room

Do not open your door Or admit persons to your room without first positively identifying them. Use the "peep hole" provided in your door to do that. If there is any doubt about the person's true identity, or why he/she is seeking entrance to your room, contact the Front Desk. If you have not called for service, and a hotel employee phones or shows up at your door, verify with the Front Desk that the employee should be at your room.

Keys And Other Valuables

Do safeguard your key. Guest may leave their keys in the room as a express check out service. Upon departure you may leave your keys at the Front Desk or in the room. Do not give your key to others. Avoid displaying money, jewelry, or other valuables in public areas.

Parking Lot And Other Hotel Areas

Be observant! Look around before you go outside of the hotel. If you see anything suspicious, inside or outside, do not continue into the area. Immediately notify the hotel staff. Visually check the interior of your vehicle before entering it. Do not leave valuable items in your vehicle. Remember to lock your vehicle when leaving it.

Pre-plan Your Escape Route:

Locate and check out both the nearest exit door and stairwell. If an emergency arises, do not use the elevator. Count the guest room doors between your room and the exit.

Know Where You Place Your Guest Room Key:

You will need your key in the event that you wish to re-enter your room during an emergency. Get in the habit of leaving your key in the same place, preferably the nightstand.

Stay Low When Exiting:

Remember, you may be able to exit to the stairwell by crawling. There is always less smoke near the floor.

Action When Remaining In The Room:

Fill tub with water; however never get into the tub.

Stuff towels in all openings and around doors. Use wet tissue to insulate small openings. Wet down anything that is hot, i.e., doors, walls, etc.

Don't Panic

If you see no fire or smoke in the corridor, head for the nearest fire exit and proceed to ground level and out of the building.

Do not use elevator!

Andy Griffith Playhouse

786-7998

Housed in the old Rockford Street School where Andy Griffith first performed as a child, the Playhouse has events scheduled throughout the year.

Autumn Leaves Festival

786-6116

This three day event held on the second weekend in October celebrates the change of season. The downtown festival features handmade crafts, old fashioned costumes, mountain music and home cooking. The three day event draws over 200 thousand people every year.

Blue Ridge Parkway

One of the Nation's most beautiful highways is just 10 miles north of Mount Airy. Follow highway 52 through scenic Cana Virginia to the Parkway access at Fancy Gap.

Mayberry Days

786-7998

Held during the latter part of September, this three day festival is "old home week" for thousands of Andy and Barney fans. Food, games, tours, and memorabilia are just a small part of Mayberry Days. Don't be surprised if you run into actual cast members of the Andy Griffith show.

Pilot Mountain

Located off of Highway 52 South, the big pinnacle rises 1400 feet above the valley floor. The distinctive knob juts up 200 feet from its base. Pilot Mountain State Park and the town of Pilot Mountain are nearby.

World's Largest Open-Faced Granite Quarry

Mount Airy nicknamed "The Granite City", is home to the largest open faced granite quarry in the world. Many of Mount Airy's homes, churches and businesses are made from Mount Airy granite. The Wright Brothers memorial in Kitty Hawk was made from Mount Airy Granite.
