PLEASE DO NOT REMOVE FROM THE ROOM.

Welcome...

Thank you for choosing the Comfort Suites of Ocean City, Maryland to serve you and your family on behalf of the entire staff. We appreciate your visit and are always ready to make your stay at our facility an enjoyable one. We take pride in providing the best hospitality to all of our guests, and look forward to accommodating all of your needs.

Conveniently located on route 50, and just 1 mile from the beach and boardwalk, we have prepared this directory to help acquaint you with our facilities and the Ocean City area. We hope that you can experience all of the amenities we have to offer during your stay, as well the wonderful local area attractions. We are always willing to assist you with any additional information, so please do not hesitate to call us if you need anything.

Thank you again, and enjoy your stay.

Sincerely,

Stephanie McHenry
General Manager

Fire Safety Information

Upon Arrival

- Please refer to the back of your guest room door to locate fire exits and staircases
- Please find fire alarm pull stations and fire extinguishers on your floor.
- Please find the “Off” switch on your air conditioner. In case of fire, turning the air conditioner off will prevent smoke from being drawn into your room

In case of fire

- Stay calm
- Pull nearest fire alarm.
- If possible, close doors around the fire area.
- Phone the operator.
- Exit from the building (it at all possible).
- Take your room key with you

Smoke

- If your room is filled with smoke, fold a wet towel into a triangle and tie it over your nose and mouth, Get on hands and knees (or stomach) and crawl to the door. Feel the knob; if hot, do not open. If cool, open slowly. Take your room key.
- If hallway is filled with smoke, stay near to the wall and count the doors as you crawl to the exit staircase. Walk down the exit staircase. If staircase begins to fill with smoke, return to your room

If you cannot leave your room

- Dial “0”. If unavailable, call the Fire Department “9+911”
- Shut off air conditioner.
- Wedge a wet cloth under the door and around the doors and vents.
- Remove drapes from windows.
- Check to see if there is smoke outside the window; if there is not smoke outside the window and window may be opened, hang a sheet or light colored material outside. This will signal your location, letting firefighters know that the room is still occupied. Keep part of the sheet inside the window and wet with water.
- Use ice bucket or other container, keep water available to quickly moisten the wet cloths that are keeping the smoke out.
- Do not break window, do not jump
- Stay low until help arrives.

In Case of Tornadoes or Severe Weather

- If the need arises and the city’s Civil Defense Sirens are activated, we will in urn activate the Hotel’s Fire Alarm System to warn you that an immediate evacuation to the basement is mandatory.
- Employees will be stationed throughout the Hotel for your assistance. The Hotel will do it’s best to notify you when the sirens are sounded, either by phone or by door to door.

Fire Safety Information

Security Procedures

Double Locks and Latches

For additional Security, utilize the dead bolt lock provided on your door upon entering and push the button on the lock. This will prevent the door from being opened by a regular room key. As an additional precaution, please secure the safety latch.

Admittance

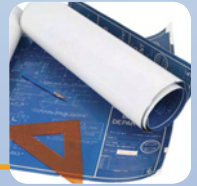

Do not admit persons to your room without first making identification. If there is any doubt about the person's identity, please contact the front desk.

Keys

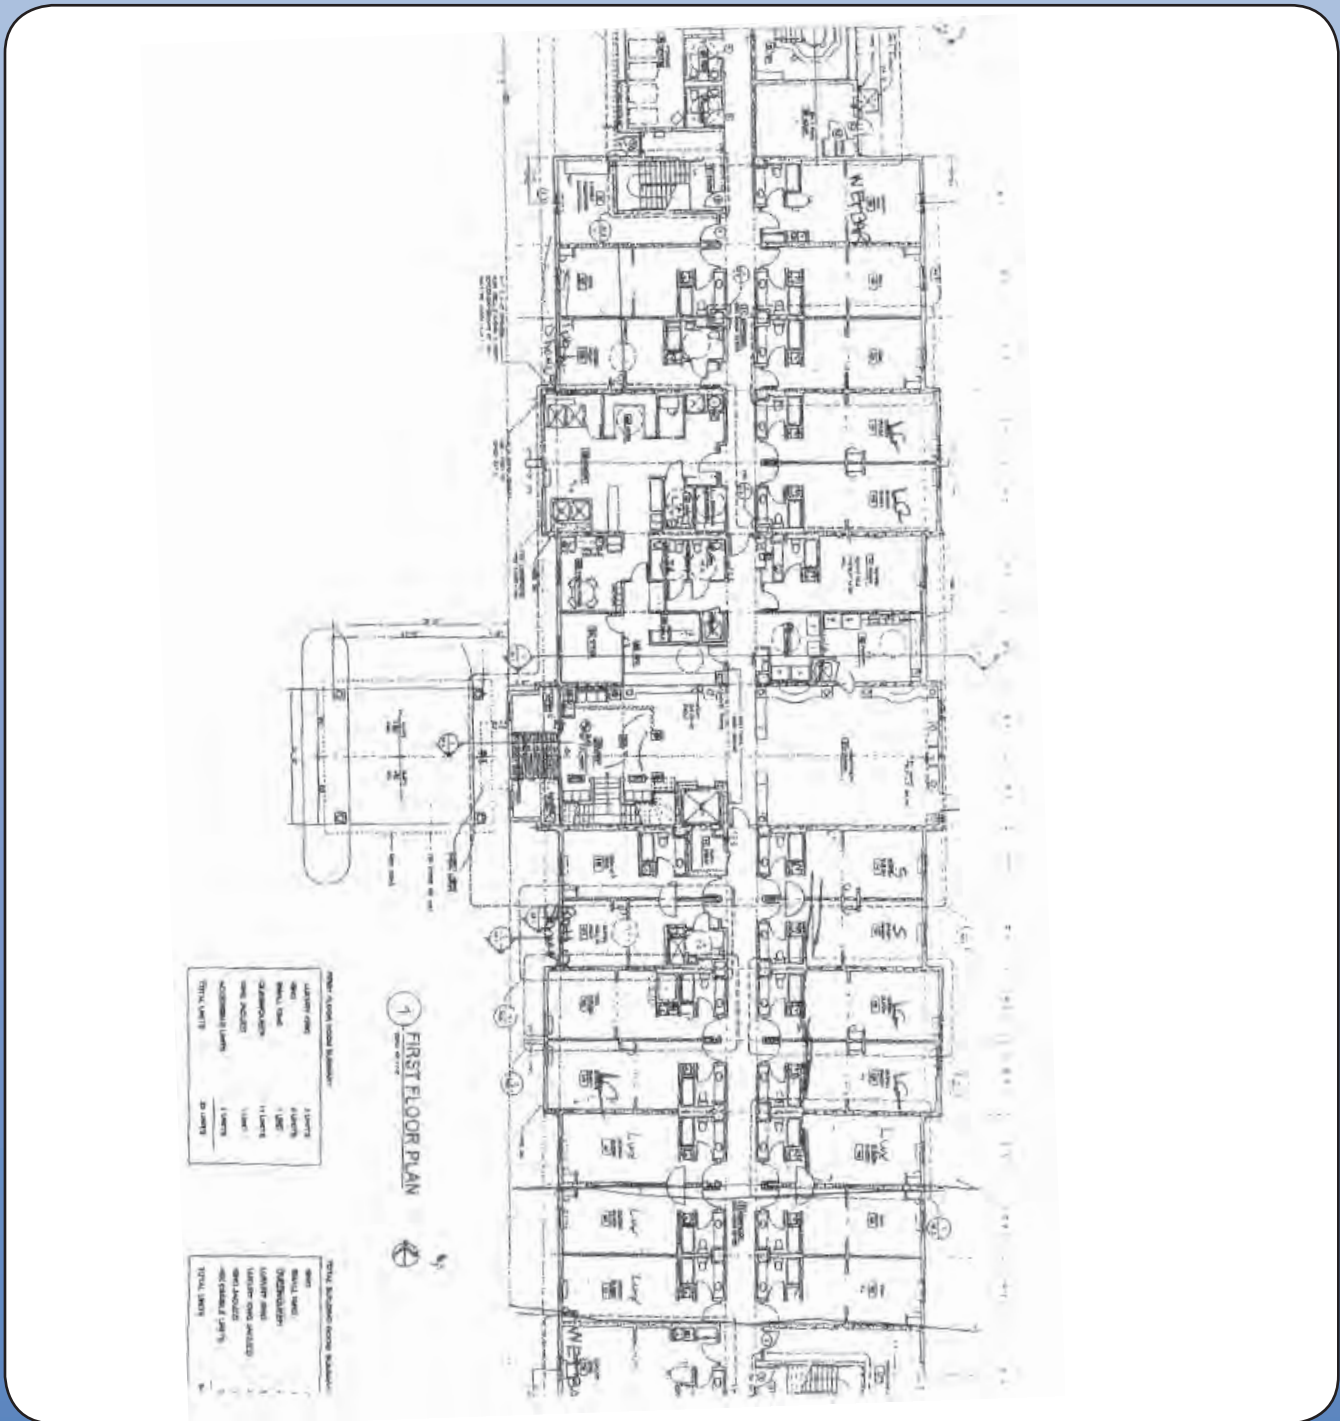

Please safeguard your key. Be sure to leave it with the front desk upon your departure. Please do not leave your key in your room or in the door. Do not give your key to others.

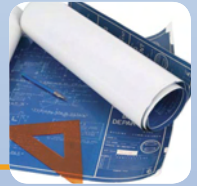

Travel Tips

- Zip lock bags are useful for packing your luggage. They will contain liquids, provide storage from damp or web bathing suites and the air pockets keep close from shifting or wrinkling. Use large clothing bags from the dry cleaners to separate items of clothing
- When space is premium, pack a sweat suite or jogging suite instead of a bathrobe, You will get double-duty from one comfortable lounging in the room, and the ability to step into the hall for ice, etc.
- Closing the bathroom door in your room will help keep the morning's noise to a minimum, as most of the sounds carry through the air/plumbing systems
- If you feel you might have someone following you, step up to the nearest door - knock and announce that you have forgotten your key. If someone answers the door, explain what you have done, if no one answers, it will still serve the purpose of confusing and alarming the possible follower.
