## SAFETY

## In Case of Fire

- Plan what to do when you check in. You won't have time to plan during a fire First, plan two exits nearest your room. If you are on an upper floor, find the nearest stairways. Be sure they are locked and unblocked, then count doors between your room and exits so you'll have a reference point if it is smoky.
- When you hear an alarm, act, don't investigate. If fire is in your room, get out and close the door. Once out report the fire.
- If fire is not in your room, leave if you can. First, feel your door. [If its cool, open it slowly and go to the nearest exit. Crawl in smoke. Fresh air will be at the floor. Take your key so you can go back if you can't use your exits.
- If your room door is hot, don't open it. Your room may be the safest place to be. Seal all cracks with wet towels. Shut off fans and air conditioners. Signal at your window. Call the fire department and wait to be rescued.

## SAFETY

Your safety and the security of your personal property are of the utmost concern to those of us who welcome you as our guest. We urge you to take advantage of the following precautions.

## Safety And Security

Hotels today are special prey for the professional thief. Do not leave cash, credit cards, jewelry, travelers checks, negotiable securities or other valuables in your room when you are away. No hotel is burglar-proof. We cannot assume responsibility for stolen articles. Please follow these simple steps:

- Make sure you secure your valuables in a safe location.
- For extra security, line the dead-bolt provided on your door. This will prevent the door from being opened by a regular room key. As an additional measure, secure the safety latch. When leaving your room, check to see that your door is closed.
- Make sure windows are locked.
- Do not admit persons to your room without first making identification. A peep hole is provided in your door. If there is any question about the person's true identity, contact the front desk.
- Safeguard your key. Be sure to leave it with the cashier upon departure. Don't leave your key in your room or in the door. Don't give your key to others.
